2. **Substitutions can only be made** if a player has been injured or cannot continue playing for unforeseen reasons during play.
3. A fielder may only return to the field with the permission of the umpires. The umpires should grant this permission when they know a player wishes to return.
4. If a fielder leaves the field for 15 minutes or longer and then returns, he may not bowl until after he has been on the field for a length equal to how long he was absent.
5. The substitute will only be **allowed to field.**
6. A substitute can only play for **2 overs maximum** unless he replaces a player who is badly injured and cannot continue playing the rest of the match.
7. If a batsman is injured, he may retire from the field without being out - the next batsman in the batting order will come into bat.
8. If the injured batsman recovers enough to bat, he may resume his innings at the fall of any wicket in the same innings.
9. If a batsman is too injured to bat when no other batsmen remain to come in after a wicket falls, **his innings is forfeited, and his team's innings ends.**
10. If a bowler is injured during an over and cannot complete it, another bowler must bowl the remaining deliveries in that over. The bowler chosen to finish the **over must not be the bowler** who bowled the previous over and must not bowl the over immediately following either.

- **SUPER OVER**

- If the match ends in a tie, a Super Over will be played.

- *Rules*

- **Field:** Non-powerplay field. 4 fielders allowed outside the circle.

- Team that was batting 2nd, will bat 1st in the Super Over.

- 2 wickets and the batting innings is over

- If the Super Over ends in a tie, one more Super Over will be played (same rules)

- In the second Super Over, the same bowler cannot bowl as the first Super Over

- A batsman dismissed in the first Super Over cannot bat again in the second Super Over

- If the second Super Over ends in a tie, the team whose batters hit the most number of boundaries in the Super Over will be declared the winner.

- **WICKETKEEPING GLOVES + BATTING GLOVES**

The management has no issues with whether a team opts to wear batting gloves or wicketkeeping gloves. Opposition teams may not object to one or the other. It is an individuals right and choice.

- **SAFETY GEAR**

- Players can wear any safety gear they prefer, as their safety is our priority. (Abdomen guards, keeping gloves, batting gloves etc.)

- **SUSPECT BOWLING ACTIONS**

- The on-field umpires hold the final decision-making authority on suspect bowling actions.
- In case of a situation escalating, it is important to promptly notify the tournament managers. They will ensure that the matter is handled and resolved effectively.
- Please avoid arguing with the on-field umpires; they are doing their best.

- An **Illegal Bowling Action** occurs when a player throws rather than bowls the ball. This is defined as when the player's elbow extends by more than 15 degrees between their arm reaching the horizontal and the ball being released.
